

QUALITY POLICY STATEMENT

Meter Provida is a supply chain specialist in gas meters and meter kits, serving the UK's largest meter asset managers, gas suppliers, network operators and utility infrastructure providers, and as such makes the commitment to the provision of products that meet all customer specifications and requirements on time and within budget.

It is our policy to endeavour to understand the context of the Company by reviewing internal and external issues regularly, which impact the Company. The Policy is available to relevant interested parties as is appropriate. To consistently meet our customers' expectations and requirements, in the most cost-effective manner, whilst maintaining beneficial supply chain relationships.

The company operates a Quality Management System in accordance with the latest version of BS EN ISO 9001 certification, and is committed to continually developing and improving the effectiveness of the Quality Management System to ensure the needs and expectations of interested parties are determined and fulfilled.

Senior Management is totally committed to quality, throughout the organization and will ensure that adequate resources are available for its achievement. All employees are made aware of the Company's Quality Policy and their involvement in the system during induction and ongoing training as appropriate.

A policy of strategic direction and continual improvement is in place to enable the Company to achieve quality objectives, adherence to policies and satisfy applicable requirements. These objectives are reviewed at least annually, together with this Quality Policy, or more frequently as needs arise. Amendments to the policy and quality objectives are communicated to employees.

Signed:

Stephen Burr
Chief Executive Officer
